

Canvas Enrollment

Have students use the link from your teacher page.

Example:

<https://bubblers.instructure.com/enroll/XDWLX3>

They will get a screen similar to this:

Enroll in Trybulski - Algebra I 

You are enrolling in **Trybulski - Algebra I**.

Students should use “**I already have a South Middleton School District login**” and **MUST** use their bubblers.us email. If it is the first time they have logged into Canvas “password” should work as their initial password. Once they click on “Enroll in Course” it will take them into Canvas.
