The Cumberland-Perry Drug & Alcohol Commission believes that any use of alcohol or other drugs by adolescents demands a strong response from adults. We have developed a training series designed specifically for adults to enhance their ability to respond both appropriately and effectively to any level of adolescent drug and alcohol involvement.

SESSION 1

- **Stages of adolescent drug and alcohol use**
- **Display of drug-related paraphernalia**
- **Current drugs of abuse**

SESSION 2

- **Parental attitudes**
- **Developmental assets and protective factors**
- **Treatment options**
- **Community and school-based resources**
